

On behalf of Rutland Youth Soccer welcome to the 14th Annual Kelowna Canada Day Youth Soccer Tournament. We have up to 115 teams coming this year so it can take place at only two venues. This year again we will have all age groups at each venue. We will try not to move you around, if at all possible. But, if you do move you get to see more of our beautiful city.

Guest Players:

We are allowing guest players again this year. These are players who want to play, are registered in their respective youth organization but their team is not playing in the tournament. These could be local players or siblings of players on teams that are coming. Even just players who want to come and play. These players register on the site as a guest player and then teams can review and ask them directly to play for their team.

We have had issues in the past with teams not having the required forms and have been reprimanded by BC Soccer for this. To that end. We are making a few changes this year to ease check in and administration. It also means you can check in an hour before your first game if you are not in town on Friday night,

Requirements:

These should be done by June 15th.

(This way we can check them over and make sure you have everything)

All Rosters / forms locked June 22nd.

Rosters

All complete team rosters must be in the system this includes players, coaches and managers.

Guest players must be on this roster as well if you pick up any.

Forms:

These forms are your guarantee of insurance to play in this tournament and are required for your team to play.

Teams from Out of Province or International:

There are specific forms you require to travel out of you home province / state or country and take part in a tournament.

Please contact your required governing body for them, if you don't have them, you will be refused entry!

Teams from BC.

Please upload a complete roster signed by an official of you club. (Administrator / Chair etc)

Guest Players:

If you pick up a guest player they will need the applicable form. If they are not from BC they should check with their governing bodies to see if they have a form that cover this. If not they can use the form we have on the site. Players from BC will also use our form as BC Soccer has not created their own as of yet but have approved ours. This form needs to be completed for each guest player and all need to be uploaded to the site.

As per other years, players not on the game sheets will not play.
