

Open to all players from U 11 to U18

Participants will compete in a series of three events designed to test the limits of their skill and endurance. Each event will be worth points towards the overall champion in each division. These events will all take place for all divisions on Monday morning at Rutland Sports Fields. Each gender/age group will be slotted a start period and will go to each event as a group. At the end of each event the awards for that event will be handed out. The final Tournament Champion match will take place after all three events are completed for the age group.

The events are:

- 1. Punt, Throw, Kick Competition**
- 2. Cannon Competition**
- 3. Goalie War Challenge**

The groups will be gender and age group specific.

10 Points for 1st 7 points for 2nd and 4 points for 3rd in each event.

The 2 top point getters over the three events will compete for Goalie Wars Champion.

There will also be awards in each division for each event.

Format

Each Division will be birth year and gender specific. (However, if there is a shortage of numbers, some years may be combined.) Each of the divisions will be assigned a start time together and meet their guides, who will take the divisions from event to event. These guides will answer any questions keepers may have, tabulate scores and award medals and plaques. Players must check-in with their guides at the allotted time and, once the group starts any of the events, late keepers will be eliminated with no refunds allowed. It is hoped that each group will take the least amount of time to go through the competition in this format.

When all three events are done, each group will have one championship challenge for 1st and 2nd ranks above.

Monday, July 2nd, 2018

Cost is \$30 per keeper.

U11-U12 will check-in at 8am and start at 8:30am

U13-U18 will check-in at 10am and start at 10:30am
